Thank You!

Thank you to everyone who sent in supply donations for our classroom! I feel very fortunate to have amazing parents who are on this journey with me to give their child a great learning experience in 1st Grade!

Shoe Tying

Our second week of school is done, and that means Halloween will soon be here. Halloween is the last day that I tie shoes for the students! Starting November 1st, if a student needs his/her shoe tied, he/she will have to do it on his/her own or have a friend do it. This is a skill all students need to know, so please make sure to practice at home. I want all students to be safe, but it is a huge distraction in our class if someone has a shoe untied, and it usually makes us late to wherever we are going!

Activities/Sports

One thing I absolutely love hearing about from the students is what they are involved in after school. They get so excited to tell me about their football or soccer game, dance recital, or gymnastics meet. If your child is involved in an after-school activity, send me a schedule! I would love to support them outside of the classroom too, if my 4 month old is cooperating!

Playground Equipment

I have had a couple of students ask me about bringing a basketball, football, or other playground equipment to school. Students are able to bring playground equipment to school, but please make sure your child's name is clearly labeled on anything he/she may bring in. The lockers are not big enough for a basketball or soccer ball to fit in, so those things will be kept in the classroom. If for some reason, your child decides to play with it during class, then he/she will lose the privilege of bringing it to school. Please refrain from sending in smaller objects just as cars, dolls, stuffed animals, and fidget spinners.

DID YOU KNOW?

Our school policy for birthday treats is "Treats we can't eat." If you are planning on sending in a treat for your child's birthday, please make sure it is not edible. If it is, I will have to send it back home. If you need treat ideas, please feel free to email!

BOX TOPS

Make sure you are collecting Box Tops! Send in your collected Box Tops in a baggie with your child's name and count on it!

VOLUNTEER
